29) I submitted this file to the Chairman on 20/8/19.

30) There is at present a want of uniformity about these allowances. The Sattlespur Sub Dn Officer and the Madura Sub Dn Officer get allowances of Rs 50/- each and the others nothing for attending to this work.

31) The arguments for the grant of allowances to Sub Dn Officers for doing this work would be:—

(1) This is extra work — there was a special officer so far for attending to it

(2) The Sub Dn Officer of Sattlespur was given an allowance and the SDO of Madura is getting it.

(3) Govt now save the pay and allcs of the Spl officer and there will be no

extra expenditure to start in granting these allowances.

(4) Government will be able to expect special attention on the part of these officers to Md work if they grant an allce specially for that work.

3rd) The second member has noted that Md work is quite as much the Revenue Subdn officers' work as anything else and that there can be no allce to them on this account. The separation of the executive and judicial functions has reduced the work of these officers in Shimoga dt and will reduce it in Kadur dt. Their work does not seem to be enough to justify a special allce up to Rs 50 for each officer who has now got a share of the work previously done by the Spl officer. It is also desirable to keep the expenditure on establishments under the Md scheme as low as possible and if these allces are given at all they would have to be given to the Subdl Dy Commrs for work in their Subdns and the Treasury officers as Secretaries to the Dt. Committees. The allce will also virtually be a malguzari allce and difficult perhaps to discontinue at any later date.

33) It is therefore for orders whether these

allowances may not be discontinued. If this is proposed however to continue an allce it may be fixed at Rs 25/- or 30/- p.m. to each ex officio Sub Officer and sect to a Sub or Central Collr

34) Pending a decision on this question however it is desirable to give to the Sub Officers and Treasury Officers who attended to the work some allce (in consideration of the fact that they the Officers similarly placed with themselves got an allce) and ~~sect~~ to discontinue the allce from the date of order

Final Note by the Second Member of Council.

Subject:- Re discontinuance of the grant of special allowances to the Revenue Sub Division Officers, looking after Malnad Improvement work.

E

In Government Order No.1929-39/Med.24-13-118 dated 20th August 1914 two Special Revenue Officers were appointed, one for Shimoga District with an allowance of Rs.100/- per mensem and another for Kadur and Hassan districts with an allowance of Rs.50/- per mensem.

A in one of the linked files

2. In Government Order No.G.4040-44/San.125-17-6 dated 24th August 1918, the Revenue Sub Division Assistant Commissioner of Saklespur was appointed Special Malnad Improvement Officer for the Hassan District, in addition to his own duties and was later granted in Government Order

J in -do-

No.G.10426-7/San.50-18-2 dated 4th December 1919 an allowance of Rs.50 for this additional charge.

3. In Notification No.420/C.B.4-18-30 dated 22nd November 1918 Mr. R.Nanasami Rao, Sub Division Officer, Malnad Improvement, was posted as Sub Division Officer in charge of Kadur and Mudigere taluks and the Revenue Sub Division Assistant Commissioners of the Kadur District were entrusted with Malnad Improvement work in their respective Sub Divisions.

Y in one of the linked file

4. In Government Order No.G.18393-4/San.31-18-4 dated 24th February 1919 the Treasury Assistant Commissioner and Personal Assistant to the Deputy Commissioner, Kadur District, was appointed Secretary to the Malnad Improvement Committee, Kadur District.

B in the other linked file

5. In Government Order No.G.27991-3/San.103-18-2 dated 16th June 1919 the Sub Division Officers of Shimoga and Sagar were entrusted with Malnad Improvement work in their respective Sub Divisions and

16

the Personal Assistant to the Deputy Commissioner, Shimoga District, was appointed Secretary to the Malnad Improvement Central Committee and the Shimoga District Committee.

6. In the series of the Government Orders referred to above the work of Malnad Improvement previously attended to by the Special Officers has thus been distributed among the various officers of the districts.

7. The Deputy Commissioner and Chairman, Malnad Improvement Committee, Shimoga District, in his letter No.C.506 dated 12th March 1919 has requested sanction for Mr.C.Lakshman Rao Personal Assistant in charge of Malnad Improvement work drawing the allowance of Rs.100/- sanctioned to Mr.S.N.Appanna Iyengar, Special Revenue Officer, Malnad Improvement on leave in Government Order No.7204-5/San.132-17-1 dated 28th June 1918.

8. The Deputy Commissioner and Chairman, Malnad Improvement Committee, Kadur District, has recommended the grant of an allowance of Rs.50/- per mensem to the Revenue Sub Division Officer of Tarikere for looking after Malnad Improvement work in his letter No.150 dated 31st March 1919 and in a letter dated 5th May 1919 the grant of a similar allowance to the Treasury Assistant Commissioner, Kadur District, for being the Secretary to the Malnad Improvement Committee of the Kadur District.

9. Mr.R.Nanasami Rao, Sub Division Assistant Commissioner of Chikmagalur, in his D.O. letter dated 10th September 1919, has enclosed a copy of the Comptroller's memo No.124 G.A.D. dated 5th September 1919 stating that he is not entitled to the allowance of Rs.50/- and that Rs.300/- already drawn by him for the last six months is recoverable from him in monthly instalments of Rs.50/- each and he has also therefore requested that the allowance may be continued until the reorganization of the Revenue Department comes into force.

10. The question of the continuance or otherwise of these allow-

ances

17

allowances for Malnad Improvement work has been under consideration for some time past and when the papers came before me on 28th September 1919 I recorded the following minute:-

Pages 9 to 11 of Office notes

" The work of the Malnad Improvement Committee hitherto done lies chiefly in the direction of sanitation and medical relief. The sanitary improvements effected are no more than sinking of a few wells, drainage of a few areas, removal of lantana &c. In some places extensions have been formed and in some others new villages have been built. These are the ordinary duties of a Revenue Officer and judging from the number of works carried out, it cannot be said that his energies have been taxed to an appreciable extent. There is absolutely no reason why for doing his legitimate work in no way of an arduous nature, he should be given a special allowance. Mr.Nanasami Rao who was formerly Special Malnad Improvement Officer and the Sub Division Officer, Saklespur, have been getting this allowance and now a claim has been put forward on behalf of the Sub Division Officer of Tarikere. If these claims are allowed, there is no reason why we should refuse the claims of Sub Division Officers, Sagar and Tirthahalli, which I am sure will be put forward in due course. By continuing the allowance we will also pave the way for the sanitary and medical officers to claim allowances. I would therefore do away with these special allowances altogether."

Pages 11 & 12 of -do-

11. The Dewan and the other Members of Council agree in this view.

12. Sanction is solicited for discontinuing the special allowances referred to above with effect from 1st January 1920.
